

# WIRING SOLUTIONS FOR AGRICULTURAL POWER

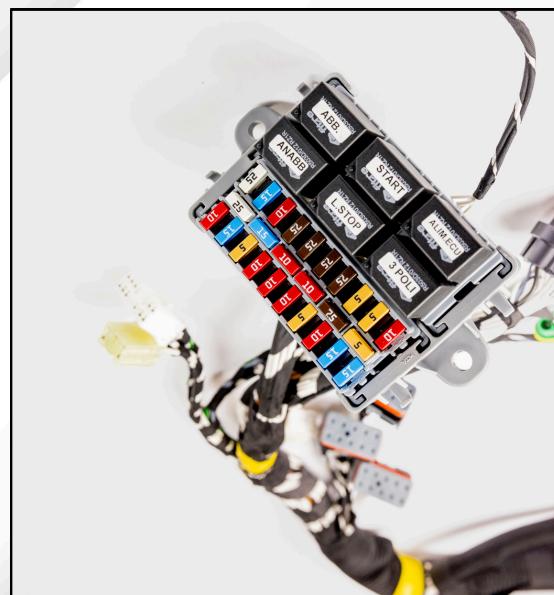

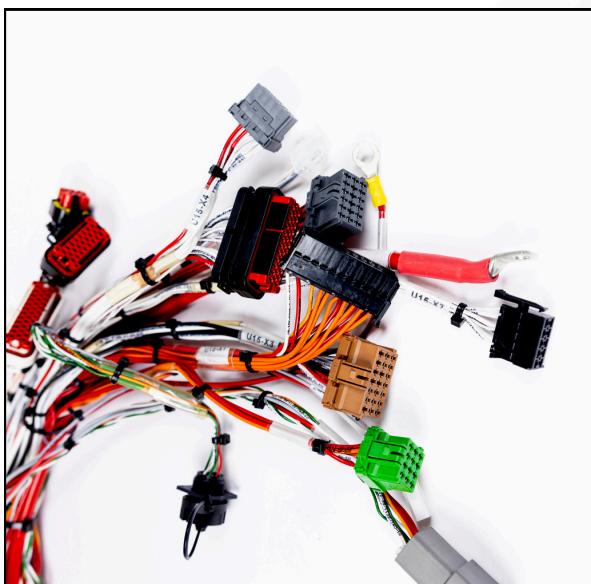

*Custom Electrical Wire Harnesses for  
Agricultural Vehicles, Machinery &  
Equipment*

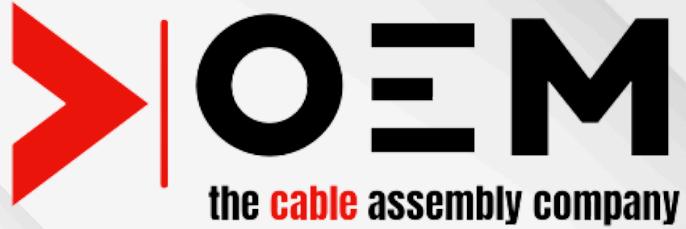

# ► ENGINEERING, PROTOTYPING & FULL-SCALE PRODUCTION

- **Tailored solutions:** design and development of wire harnesses from customer drawings or in co-design
- **Speed & innovation:** rapid prototyping and samples for design validation
- **Reliable production:** large-scale manufacturing of wire harnesses for agricultural vehicles and machinery
- **Advanced technology:** automated cutting, stripping, crimping, and marking with inkjet or laser systems
- **Maximum flexibility:** manual precision assembly for batches of any size and custom configurations
- **100% testing:** continuity, pin-to-pin verification, dimensional control
- **Technical documentation:** drawings, wiring diagrams, and more
- **Custom logistics:** tailored delivery plans and solutions

### Location 1

**Via Tartaglia 2, 25024  
Porzano di Leno (BS) – ITALY**

### Location 2

**Via Castelli 7, 25024  
Porzano di Leno (BS) – ITALY**

### Location 3

**Craiova – ROMANIA**
